

# Save steps and time!

## Switch to Sycle Digital Clinic

There is a faster and simpler solution than Sycle eDocs.

	Digital Clinic	eDocs
 <b>Document Search</b>	<b>1 STEP</b>  1. Share directly from Sycle	<b>3 STEPS</b>  1. Download to computer  2. Open email  3. Draft email & attach document
 <b>Collecting a signature</b>	<b>1 STEP</b>  1. Built-in eSignature feature	<b>5 STEPS</b>  1. Download to computer  2. Print  3. Get signature  4. Scan to eDocs  5. Remove original from eDocs
 <b>Audit document shares and signatures</b>	<b>3 STEPS</b>  1. Access patient summary  2. Click Document Management module  3. View patient's sharing and signatures activity	<b>5 STEPS</b>  1. Access patient summary  2. Note patient's email address  3. Switch to email program window  4. Open "sent" folder  5. Search for emails sent to that address

Spend less time on admin.  
More time with patients.
